**ANNEXURE 'F'****MANAGEMENT'S DISCUSSION AND ANALYSIS****INDUSTRY STRUCTURE & DEVELOPMENT**

India is among the leading global producers of cost-effective generic medicines and vaccines, supplying 20 percent of the total global demand by volume. The country has an established domestic pharmaceutical industry, with a strong network of 3000 drug companies and about 10,500 manufacturing units. Out of these, 1,400 units are World Health Organization (WHO) good manufacturing practice (GMP) approved; 1,105 have Europe's certificate of suitability (CEPs); more than 950 match therapeutic goods administration (TGA) guidelines; and 584 sites are approved by the US Food and Drug Administration (USFDA). With technologically strong and totally self-reliant, low costs of production, low R&D costs, innovative scientific manpower, strength of national laboratories and an increasing balance of trade, the industry is growing about 8 to 10 percent annually.

The pharmaceutical industry in India produces a range of bulk drugs, which are the key acting ingredients with medicinal properties that form the basic raw materials for formulations. Bulk drugs account for roughly one-fifth of the industry output while formulations account for the rest. India also has the expertise for active pharmaceutical ingredients (APIs) and sees significant opportunities for value-creation. At present, Indian companies supply over 80 percent of the anti-retro-viral drugs used globally to combat AIDS (Acquired Immuno Deficiency Syndrome). In 2017-18, India exported pharma products worth US\$ 17.27 billion. By 2020, the industry estimates the exports to grow by 30 per cent to reach US\$ 20 billion. The US is the most lucrative generics market for India's pharma industry. It is valued at around \$60 billion and accounts for about 25 percent of India's total shipment.

OPPORTUNITIES, RISKS, CONCERNS & THREATS

The pharmaceutical industry undertakes several risky ventures that are a growing concern for pharmaceutical companies. Due to technological advances, pharma companies take risks to have a competitive edge. Till now, there has been limited material impact of litigations on Indian pharma companies but the cost and settlement of such a litigation has the potential to be a key factor impacting the companies' bottom line going ahead. As Indian firms increase their business stakes in the world's largest drug market and the most litigious one, the legal ramifications are also likely. The Company faces stiff competition from other pharmaceutical companies in India and across the world which can impact its market position and revenue. However, the Company is committed to improving the lives of people facilitated by its robust R&D, strong manufacturing facility and operational efficiencies.

As an organisation, we have developed competencies and capabilities to emerge resilient in a tough industry environment. Cost-effective global procurement practices backed by our efficient global supply chain and manufacturing has enabled us to consolidate our market shares in key geographies. Our deep customer relationships with sharp focus on ensuring high service levels have contributed to fortification of our leadership position and build growth drivers for the future. Bound by a strong compliance ethics, we rely heavily on risk management and forecasting frameworks to manage competitive, economic, financial, geo-political and social risks.

According to pharma industry experts, standard of the drugs is the only concern for the market. There are no basic threats to pharma industry in India. 70 per cent of pharma market is generic, 9 per cent is oriented and rest 21 per cent is over-the-counter which is acceptable. India's healthcare budget is less. The country spends only a small part of GDP on healthcare while in other countries 4-5 per cent of GDP is outlaid on healthcare.

OUTLOOK

The Indian pharma industry is on a good growth path and is likely to be in the top 10 global markets in value term by 2020, according to the PwC – CII report titled "India Pharma Inc: Gearing up for the next level of growth". The Indian pharma industry has been growing at a compounded annual growth rate

Annual Report 2018-2019

(CAGR) of more than 15% over the last five years and has significant growth opportunities. However, for the industry to sustain this robust growth rate till 2020, companies will have to rethink their business strategy. They will have to adopt new business models and think of innovative ideas to service their evolving customers faster and better.

The Company achieved significant progress on its key priorities in FY 2018-19 despite a number of challenges around an uncertain regulatory environment, volatility in emerging markets and pricing pressure across the globe. For FY 2019-20, company will remain focused on its agenda of superior revenue growth, cost consciousness and improving the overall margin profile of the Company. The Company expects to taper down capital investments and continue its focus on operational efficiencies to drive strong cash flows. Revenues and profitability for FY 2019-20 would see an increase led by increase in capacity and pick-up in demand of pharmaceuticals.

INTERNAL CONTROL SYSTEM AND ADEQUACY

The Company has an adequate internal control system commensurate with its size and the nature of its business in order to achieve efficiency in operation and optimum utilization of resources. These controls ensure safeguarding of assets, reduction and detection of fraud and error, adequacy and completeness of the accounting records and timely preparation of reliable financial information. Internal audits are conducted in the Company on regular basis. Reports of the internal auditor are reviewed by the senior management and are also placed before the Audit Committee of the Directors. The statutory auditors also review their findings with the senior management and the Audit Committee.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The human resource plays a vital role in the growth and success of an organization. The Company has maintained cordial and harmonious relations with employees across various locations. During the year under review, various training and development workshops were conducted to improve the competency level of employees with an objective to improve the operational performance of individuals. The human resource policies of the Company are formulated with the objective of creating a safe, conducive and stimulating work environment for enhancing employee motivation and satisfaction. The Company is committed to attracting and retaining best talent in the industry and upgrading the skill-set and knowledge of existing employees. The Company has maintained cordial and harmonious relations with all employees.

Independent Auditor's Report for the Standalone Financial Statements of Kwalita Pharmaceuticals Limited (erstwhile M/s Kwalita Pharmaceuticals Private Limited)

To

**The Members
M/s Kwalita Pharmaceuticals Limited.**

Report on the Financial Statements

We have audited the accompanying financial statements of **M/s Kwalita Pharmaceuticals Limited** (erstwhile Kwalita Pharmaceuticals Private Limited), which comprise the Standalone Balance Sheet as at **31st March, 2019**, the Standalone Statement of Profit and Loss and the Standalone Cash Flow Statement (collectively referred as "Standalone Financial Statements") for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation & presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2019, and its profit/loss and its cash flows for the year ended on that date.

ANNEXURE A: To The Independent Auditor's Report of even date on the Standalone Financial Statements of Kwalita Pharmaceuticals Limited (erstwhile M/s Kwalita Pharmaceuticals Private Limited)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **M/s Kwalita Pharmaceuticals Limited** (erstwhile Kwalita Pharmaceuticals Private Limited) as of **March 31, 2019** in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for

Annual Report 2018-2019

external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **March 31, 2019**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

In terms of the information and explanations sought by us and given by the company and the books and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that: –

(i) (a) The company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.

(b) As explained to us, all the assets have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. No material discrepancies were noticed on such verification.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of the Company’s Registered Office and Manufacturing unit is situated at Village Nagkalan, Majitha Road, Amritsar, Punjab, is on leased premises. The same premises is owned by Mr. Ramesh Arora and Mr. Ajay Arora, Promoters of the Company and the lease is for initial period of 49 years. Similarly, another manufacturing unit is situated at Plot No. 1-A, industrial Area Raja Ka Bagh, Tehsil Nurpur, District Kangra, Jassur, Himachal Pradesh is on also on leased premises. The same premises is owned by Government of Himachal Pradesh and the lease is for long term.

(ii) (a) As explained to us, the inventory has been physically verified at reasonable intervals during the year by the management. In our opinion, the frequency of verification is reasonable.

(b) In our opinion and on the basis of our examination of the records, the company is generally maintaining proper records of its inventories. No material discrepancy was noticed on physical verification of stocks by the management as compared to book records.

(iii) As explained to us, the company has granted loan to its subsidiary listed in register maintained under section 189 of The Companies Act, 2013 (Act). The subsidiary Company named Kwalita Pharmaceuticals Africa Limitada incorporated on 20.09.2013 under the laws of Africa having identification number as 100428873. The registered office of the Company is located at Mozambique, Maputo Cidade, Distrito Urbano 1, Bairro de Central, Africa.

a) The subsidiary is incorporated with the intention of import export and marketing of pharmaceutical products of the company. The terms of the aforementioned loan are not prejudicial to the interest of the company.

b) The terms of the loan do not prescribe any schedule of repayment of principal and payment of interest.

c) As stated above the terms do not provide for schedule of repayment and thus comments on status of over dues can’t be made.

(iv) The company has not given any loans, investments, guarantees, and security according to the provisions of the section 185 and 186 of the Companies Act, 2013 during the year.

(v) The Company has not accepted any deposits from the public as per the provisions of section 73 to 76 of the Companies Act 2013.

(vi) The maintenance of cost records has been specified by the central government under sub section (1) of section 148 of the Companies Act, 2013 and such accounts and records have been so made and maintained by the company.

(vii) According to the information and explanations given to us and on the basis of our examination of the records of the Company,

(a) The company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, wealth tax, service tax, custom duty, excise duty, Goods & Service Tax, Cess and other material statutory dues applicable to it. However, in few cases company has deposited TDS and GST after due dates and paid interest on late payments.

Thereafter, the company obtained listing status on the SME platform of Bombay Stock Exchange by making the Initial Public Offer and the shares of the company were listed on the SME platform of BSE on 18th of July, 2016. The company is engaged in the business of manufacturers, buyers and sellers of and dealers in all kinds of drugs intermediates, chemicals, extracts, alkaloids and other pharmaceutical goods, toilet requisites, medicines, beverages and other medical preparations.

i) Basis of preparation of Financial Statements:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The financial statements are presented in Indian Rupees in Lakhs and rounded off upto two decimal places.

ii) Use of Estimates:

The preparation of financial statements in conformity with the Generally Accepted Accounting Principles (GAAP) requires management to make estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from these estimates. The difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

iii) Current and Non-Current Classification:

All the Assets and Liabilities have been classified as current and non-current based on the normal operating cycle of the Company and other criteria laid down in Schedule III of the Companies Act, 2013. Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

iv) Fixed Assets and Depreciation:

Fixed assets are carried at cost of acquisition or construction, less accumulated depreciation and adjusted for revaluation/impairment loss, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use.

Depreciation on fixed assets is calculated on written down value basis using the rates arrived at based on the useful life of the assets prescribed under Schedule II of the Companies Act, 2013 for the year ended on March 31, 2019.

v) Leases:

The Company's Registered Office and Manufacturing unit is situated at Village Nagkalan, Majitha Road, Amritsar, Punjab, is on leased premises. The same premises is owned by Mr. Ramesh Arora & Mr. Ajay Arora, Promoters of the Company and the lease is for initial period of 49 years. Similarly, another manufacturing unit is situated at Plot No. 1-A, industrial Area Raja Ka Bagh, Tehsil Nurpur, District Kangra, Jassur, Himachal Pradesh is on also on leased premises. The same premise is owned by Government of Himachal Pradesh and the lease is for long term. Lease Rentals are for the assets taken on lease paid to the lessors are recognized as expense in the Statement of Profit and Loss.

vi) Revenue Recognition:

Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.

Revenue from operations is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

vii) Inventories:

Inventories of finished goods are valued at lower of the cost or net realizable value (NRV). Raw Materials and other supplies held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

However, when there has been a decline in the price of materials and it is estimated that the cost of the finished products will exceed net realisable value, the materials are written down to net realisable value. In such circumstances, the replacement cost of the materials may be the best available measure of their net realisable value.

viii) Impairment of Assets:

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount. However, no such instance is present in the financial statements for the year ended 31 March, 2019.

ix) Research and Development Cost:

Presently, company's R&D Centre situated at Amritsar for the identification and development of potential products. The Company intends to continue its initiatives in research and development in order to enhance its differentiated product portfolio in both the Domestic Market and international markets. Expenditure incurred on research and development is neither recognised nor treated separately in the books of accounts.

x) Investments:

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments. Current Investments are carried at the lower of cost or quoted / fair value computed scrip wise, Long Term Investments are stated at cost. Provision for diminution in the value of long term investments is made only if such decline is other than temporary.

xi) Foreign Currency Transactions and Translation:

Foreign Currency Transactions are recorded at the exchange rate prevailing on the date of the transaction. Monetary items denominated in foreign currencies at the year-end are adjusted at the year-end exchange rates. Any gain or loss arising on account of exchange difference either on settlement or on translation is recognized in the Statement of Profit and Loss except in case of Long Term Liabilities and assets. Non-monetary items are carried at historical cost.

xii) Government Grants and Subsidies:

Government grants are accounted when there is reasonable assurance that the Company will comply with the conditions attached to them and it is reasonably certain that the ultimate collection will be made. Capital subsidy in nature of Government Grants related to specific fixed assets is accounted for where collection is reasonably certain and the same is shown as a deduction from the gross value of the asset concerned in arriving at its book value and accordingly the depreciation is provided on the reduced book value.

xiii) Provision for Current Tax and Deferred Tax:

Tax expenses comprises of Current tax and Deferred tax. Current Tax provision, if any, has been made on the basis of reliefs and deductions available under the Income Tax Act,1961. Deferred tax resulting from "timing differences" between taxable and accounting income that originate in one period and are capable of being reversed in one or more subsequent period is accounted for using the tax rates and laws that are enacted or substantively enacted as on the Balance Sheet date. The deferred tax asset is recognised and carried forward only to the extent that there is a reasonable certainty that the assets can be realised in future. However, where there is unabsorbed capital expenditure or carry forward losses under taxation laws, deferred tax assets are recognized only if there is virtual certainty of realisation of such assets. Deferred tax assets are reviewed as at each Balance Sheet date.

xiv) Employee Benefits:

Short-term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered. Post employment and other long term employee benefits are recognized by creating provisions against the expected payout and by contributions to the retirement funds such as provident fund contribution.

xv) Contingent Liabilities / Provisions:

Contingent liabilities are not provided in the accounts and are disclosed separately in notes on accounts. Provision is made in the accounts in respect of contingent liabilities which is likely to materialize into liabilities after the year end, till the finalization of accounts and which have material effect on the position stated in the Balance Sheet.

xvi) Revaluation of Assets:

The company assesses at each balance sheet date whether there is any indication due to external factors that an asset or group of assets comprising a cash generating unit (CGU) may be revalued. If any such indication exists, then the revaluation of the value of assets is done by certified valuer. If such recoverable amount of the asset or the recoverable amount of the CGU, to which the asset belongs is more than the carrying amount of the asset or the CGU as the case may be, the carrying amount is increased to its recoverable amount and the addition is treated as addition in the value of asset and is recognized in the Revaluation reserve under Reserves and Surplus. If at any subsequent balance sheet date, there is an indication that a previously assessed revaluation no longer exists, the recoverable amount is re assessed and the asset is reflected at recoverable amount subject to a maximum of depreciated historical cost and is accordingly reversed in the statement of profit and loss.

xvii) Earnings Per Share:

Basic earnings per share is computed by dividing the net profit for the year after prior period adjustments attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, profit after tax for the year and weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

"Annexure A" to the Independent Auditor's Report

(Referred to in paragraph 1(f) under "Report on other legal and regulatory requirements" of our audit report of even date)

Report on the Internal Financial Controls under Clause (i) of Subsection 3, of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Control over financial reporting of **KQUALITY PHARMACEUTICALS LIMITED ("the Holding Company") as of 31st March, 2019** in conjunction with our audit of the consolidated financial statements of the Holding Company and its subsidiary company incorporated outside India as of that date, of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial control over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note"), and the Standards on Auditing, issued by ICAI and prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance, with generally accepted accounting principles. A

company's internal financial control over financial reporting includes those policies and procedures that:

- (1)** pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflected transaction and dispositions of the assets of the company;
- (2)** provide reasonable assurance that transaction are recorded as necessary to permit preparation of the financial statement in accordance with generally accepted accounting principles, and receipts and the expenditure of the company are being made only in accordance with authorization of management and directors of the company; and
- (3)** provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have material effect on financial statements.

Inherent limitation of internal financial control over financial reporting

Because of inherent limitation of internal financial controls over financial reporting ,including the possibility of collusion or improper management override of control, material misstatement due to error or fraud may occur and not to be detected. Also, projection of any evaluation of the internal financial control over financial reporting to future period are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with policies or procedure may deteriorate .

Opinion

In our opinion, the holding company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial control financial reporting were operating effectively as at **31st March, 2019** based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over financial reporting issued by the ICAI.

The financial statements have been prepared on accrual basis under the historical cost convention.

b) Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the consolidated financial statements

are prudent and reasonable. Future results could differ due to these estimates and the differences between the, actual results and the estimates are recognised in the periods in which the results are known / materialise.

II) Principles of Consolidation:

The consolidated financial statements pertain to Kwalita Pharmaceuticals Limited (“the Company”/ “the Parent”/ “the Holding Company”) and its subsidiary company. The financial statements of the subsidiary is drawn upto the same reporting date as that of the Holding Company, i.e. year ended 31st March, 2019.

These consolidated financial statements have been prepared on the following basis:

- a) The financial statements of the Company and its subsidiary company are combined on a line-by-line basis by adding together, the book value of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions resulting in unrealised profits or losses unless cost cannot be recovered in accordance with Accounting Standard-21 - “Consolidated Financial Statements”.
- b) As far as possible, the Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company’s separate Financial Statements.
- c) In case of foreign subsidiaries, being integral operations, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at the rates prevailing at the end of the year except for the fixed assets which are consolidated at the historical rate. Any exchange difference arising on consolidation is recognized in Consolidated Statement of Profit & Loss.
- d) Minority Interest in the net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet separately from liabilities and equity of the Company's shareholders. Minority interest in the net assets of consolidated subsidiaries consists of:
 - i. The amount of equity attributable to minority at the date on which investment in a subsidiary is made; and
 - ii. The minority share of movements in equity since the date the parent subsidiary relationship came into existence.
- e) Minority Interest’s share of net loss of consolidated subsidiaries for the year is identified and adjusted against the profit after tax of the Group.
- f) The list of subsidiary companies, joint ventures and associates which are included in the consolidation and the Group’s holdings therein are as under:

S.No.	Name of Subsidiary	Ownership in % either directly or through subsidiaries		Country of Incorporation
		2018-2019	2017-2018	
1	Kwalita Pharmaceuticals Africa Limitada	51%	51%	Africa

III) Accounting for Investments other than in Subsidiary

Investments other than in subsidiary are accounted as per Accounting Standard-13 on “Accounting for Investments”.

IV) Other Accounting Policies

a) Fixed Assets (Tangible/ Intangible)

Fixed assets are carried at cost less accumulated depreciation / amortisation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use.

b) Impairment of Assets

For the purpose of impairment testing, goodwill is allocated to each of the Group's cash-generating units that are expected to benefit from the synergies of the combination.

Cash-generating units to which goodwill has been allocated are tested for impairment annually, or more frequently when there is an indication that the unit's value may be impaired. If the recoverable amount of the cash-generating unit is less than the carrying amount of the unit, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit in proportion to the carrying amount of each asset in the unit. An impairment loss recognised for goodwill is not reversed in a subsequent period. Fixed assets are reviewed for impairment whenever events or changes in circumstances indicate that their carrying amount may not be recoverable.

An impairment loss is recognised in the Statement of Profit and Loss if the carrying amount of an asset exceeds its recoverable amount.

c) Depreciation and amortisation

In respect of Indian parent Company:

Fixed assets are carried at cost of acquisition or construction, less accumulated depreciation and adjusted for revaluation/impairment loss, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use.

Depreciation on fixed assets is calculated on written down value basis using the rates arrived at based on the useful life of the assets prescribed under Schedule II of the Companies Act, 2013 for the year ended on March 31, 2019.

d) Borrowing Cost

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

e) Investments

Long term investments are stated at cost. Provision for diminution in the value of long term investments is made only if such a decline is other than temporary in nature. Current Investments are stated at lower of cost or fair value.

f) Inventories

Inventories of finished goods are valued at lower of the cost or net realizable value (NRV). Raw Materials and other supplies held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

However, when there has been a decline in the price of materials and it is estimated that the cost of the finished products will exceed net realisable value, the materials are written down to net realisable value. In such circumstances, the replacement cost of the materials may be the best available measure of their net realisable value.

g) Revenue Recognition

Sale of traded goods/material is recognized as revenue when significant risk and rewards of ownership relating to the goods are transferred to the buyer.

h) Foreign Currency Transactions/ Translation

a) Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction. Foreign currency monetary items of the Company, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Company are carried at historical cost.

b) Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

i) Employee Benefits

Short-term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered. Post employment and other long term employee benefits are recognized by creating provisions against the expected payout and by contributions to the retirement funds such as provident fund contribution.

j) Accounting for Tax

Tax expenses comprises of Current tax and Deferred tax. Current Tax provision, if any, has been made on the basis of reliefs and deductions available under the Income Tax Act,1961. Deferred tax resulting from “timing differences” between taxable and accounting income that originate in one period and are capable of being reversed in one or more subsequent period is accounted for using the tax rates and laws that are enacted or substantively enacted as on the Balance Sheet date. The deferred tax asset is recognised and carried forward only to the extent that there is a reasonable certainty that the assets can be realised in future. However, where there is unabsorbed capital expenditure or carry forward losses under taxation laws, deferred tax assets are recognized only if there is virtual certainty of realisation of such assets. Deferred tax assets are reviewed as at each Balance Sheet date.

k) Leases

The Holding Company’s Registered Office and Manufacturing unit is situated at Village Nagkalan, Majitha Road, Amritsar, Punjab, is on leased premises. The same premises is owned by Mr. Ramesh Arora Mr. Ajay Arora, Promoters of the Company and the lease is for initial period of 49 years. Similarly, another manufacturing unit is situated at Plot No. 1-A, industrial Area Raja KaBagh, Tehsil

Annual Report 2018-2019

Nurpur, District Kangra, Jassur, Himachal Pradesh is on also on leased premises. The same premises is owned by Government of Himachal Pradesh and the lease is for long term. Lease Rentals are for the assets taken on lease paid to the lessors are recognized as expense in the Statement of Profit and Loss.

l) Government Grants and Subsidies

Government grants are accounted when there is reasonable assurance that the Company will comply with the conditions attached to them and it is reasonably certain that the ultimate collection will be made. Capital subsidy in nature of Government Grants related to specific fixed assets is accounted for where collection is reasonably certain and the same is shown as a deduction from the gross value of the asset concerned in arriving at its book value and accordingly the depreciation is provided on the reduced book value.

m) Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognised nor disclosed in the financial statements.
